

DSA Winter League

General Information

Objective: This is a fun league to extend postal league shooting competition to all who wish to participate. There are no fees and therefore no prizes or awards, only bragging rights, the satisfaction of participating, and all that trigger time. Any .22 rifle, any sights, no shooting coats or extra support, all offhand (disability position modifications are okay.)

Target: WSU ([SPG Sales](#)) or [ASSRA](#) Official 50 Foot Standing Target. Traditionally, 2 shots are fired per record bull. Unlimited sighting shots at the SS bull(s.) At your option, you may fire any number of shots per bull, including SS bulls to total 50 record shots.

DSA has developed downloadable NRA style 12 bull targets available on the web site for printing. Two bulls for sighters and 10 for record shots.

Any number of shots per bull is acceptable (1 to 5) as long as close groups and tearing don't hinder scoring.

Number of Shots: 50 record shots per set (all shot in one session), 10 sets total.

Perfect targets = 250 (50 consecutive centers all in one set shot for record).

Scoring: Scoring is by lead edge. .22 caliber INWARD scoring gauges (plugs) or overlays. Simply stated, if the plug or lead mark touches (no gap) the scoring ring, the higher score is given.

Sending in Scores: send scores to 275municycle@gmail.com

Requested format (25s entered as .0000), Spreadsheets accepted.

Sample:

Team Name (or 'Unassigned')

	Set # 1	Set # 2	Set # 3
--	---------	---------	---------

Shooter #1	1170.0012	1178.0014	
------------	-----------	-----------	--

Shooter #2	1210.0030		
------------	-----------	--	--

Shooter #3	995.0004	1010.0009	
------------	----------	-----------	--

DSA Winter League

Shooters/Teams:

Three shooters on a Team (you assign.) Two shooters teams are acceptable. Unassigned shooters will be assigned to teams where possible. Individual shooters are welcome. We may combine shooters into teams as it seems appropriate.

Equipment list: Please submit equipment list with first scores. Used for classes (Open Any Sight, Open Iron Sight, Traditional Any Sight, Traditional Iron Sight)
Rifle Make/Model; Sights and power if scope;
Ammo Indicate if the rifle is Traditional Class.

DSA responsibility is to post the scores promptly. You may send in scores as they are shot. Early entries are acceptable. Please don't hold scores until the end.
